Every 1,957.50 hours of work by an employee for the Town of Brookline shall equal one year of service.

- 3) Vacation Year. The vacation year of the Town of Brookline shall be the period from July 1st to June 30th inclusive.

- 4) Vacation Accrual. Group 1 and Group 4 employees are entitled to receive vacation benefits in accordance with the provisions of this Article. (Group 2 employees do not get personal leave.)

(b) Except as below, the Personal Leave must be taken during the calendar year and if it is not taken it is not cumulative, but it may be added to sick leave. This Leave may be taken for any reason but the Department Head must have at least one day's notice of such Leave and if the Department Head finds that operating efficiency would be impaired thereby, he can require that the employee take the leave at a more convenient time during the calendar year. As an exception to these requirements, the Personal Leave may, at the employee's option, be cashed in at straight time pay.

(c) Employees who were hired on or before June 30, 2011 who have 20 years or more of service shall be granted two (2) days of Personal Leave per year and employees who were hired on or after July 1, 2011 who have 20 years or more of service shall be granted one (1) day of Personal Leave per year in addition to any such leave provided above. This section shall not be applicable for the first six months without pay when an employee is receiving Workers' Compensation.

2) Notification

If any employee (Groups 1, 2, 3 or 4) is unable to report to his/her post for duty because of illness, he/she must notify the Officer-in-Charge at the Police Station not later than 7 A.M. When prepared to report back for duty, the employee must notify the Officer-in-Charge not later than one hour before the starting time of the assignment.

3) Injuries

The total dollar value of such sick leave payments shall be computed to its equivalent in work days and charged against sick leave credits accordingly.

4) Documentation

For the protection of the Town, the Department Head or his/her designee may require the presentation of a doctor's certificate or note, which shall state the employee's name, date(s) seen, a brief description of the illness or injury and the expected duration, in connection with a claim for sick leave, when the employee has been absent due to sickness, illness, or injury for ten or more days in the previous calendar year and is absent at a rate of one day or more per month in the current calendar year. Any available sick leave shall not be granted until such written explanation, when required, has been received by the Department Head.

The Town retains the authority to request a doctor's certificate when the Department Head or his/her designee believes an employee may be abusing sick leave without regard to the number of absences.

If it is deemed advisable, the Town, at its expense, may send an employee to a doctor, selected by the Town, to investigate any absence alleged to be caused by illness or injury.

5) Return To Duty After Sick Leave

For the further protection of the Town and the employee concerned, the Department Head may require an employee to undergo a physical exam by a physician selected by the Town before being restored to duty after sick leave. Employees who undergo such an exam during their regularly scheduled work hours shall have the time spent thereon charged as time worked unless they are found unfit for duty, in which case the time shall be charged as sick leave.

6) Serious Illness In Immediate Family

In case of serious illness of husband, wife, child, parent of either spouse, or person living in the immediate household of an employee subject to these rules, the employee may be granted sick leave with pay not to exceed seven working days within a calendar year, at the discretion of the appointing authority. These days are charged against the annual sick leave allowance.

Each employee who is required to produce doctor's certificates for his/her absences pursuant to Section 4) shall also produce such a certificate for each absence for serious illness in immediate family pursuant to Section 6); such certificate shall contain the following information:

- (a) the employee's name;
- (b) the name and relationship of the immediate family member with a serious illness to the employee; and

 - (ii) with the date(s) of such serious illness and the date(s) such doctor examined and/or treated the immediate family member.

Accumulated sick leave shall not be taken immediately prior to retirement unless properly chargeable to sick leave under the above rules and regulations. Upon termination of service for reasons other than discharge for cause, employees or their estates shall be entitled to a lump sum payment equal to one-third (1/3) of their unused accumulated sick leave up to a maximum of \$5,000.

8) Personal Leave

Based on his/her attendance record during the previous calendar year, an employee in Group 1 or Group 4 who was hired on or before June 30, 2011, is eligible for Personal Leave in accordance with the following schedule: such an employee who uses only 0-2 sick leave days is eligible for three (3) personal leave days, such an employee who uses only 3-4 sick leave days is eligible for two (2) personal leave days, and such an employee who uses only 5-6 sick leave days is eligible for one (1) personal leave day. Such an employee who uses seven (7) or more sick leave days receives no personal leave under the provisions of this section. Based on his/her attendance record during the previous calendar year, an employee in Group 1 or 4 who was hired on or after July 1, 2011, who uses from 0-1 day sick leave is eligible for one (3) days of Personal Leave, such an employee who uses 2-3 days sick leave is eligible for two (2) days of Personal Leave, and such an employee who uses 4-5 days sick leave is eligible for one (1) day of Personal Leave. Group 3 employees are entitled to prorated benefits under this section. Sick leave used solely to supplement worker's compensation payments under the provisions of M.G.L. Chapter 152-Workmen's Compensation Act shall be excluded in determining any Personal Leave due to an employee under this section.

Except as below, the Personal Leave must be taken during the calendar year and if it is not taken it is not cumulative, but it may be added to sick leave. This leave may be taken for any reason but the Department Head must have at least one day's written notice of such leave and if the Department Head finds that operating efficiency would be impaired thereby, he can require that the employee take the leave at a more convenient time during the calendar year. The personal leave must be taken or, at the employee's option, cashed in at straight time rates during the calendar year. If it is not taken or cashed in, it is not cumulative, but it may be added to sick leave.

Personal leave cannot be taken on school days. Only under extraordinary circumstances and only with the Chief's authorization may an employee take a personal day on a day when school is in session.

To be eligible for this personal leave in a given calendar year an employee must have been employed and eligible for sick leave for the full calendar year preceding the year in which personal leave is being awarded.

9) Extended Sick Leave Bank

Effective July 1, 2008, the parties agree to establish an extended sick leave bank as provided below for Group 1, Group 3 and Group 4 employees.

Extended Sick Leave Bank. There shall be established for all members of AFSCME, Local 1358, Town of Brookline bargaining units an extended sick leave bank which shall be administered by the Human Resources Office, established and utilized according to the following procedures:

- A. To be eligible for membership an employee must have completed his/her initial six (6) month probationary period and must have voluntarily donated one (1) sick day per year to the extended sick leave bank ("Bank"). These donated days shall be deducted from accumulated sick leave but shall not be considered sick leave for the purposes of monitoring sick leave usage or personal leave as per Article XI, Sick Leave, of section 8). The Bank shall contain no more than 650 days at any one time regardless of donations made to the Bank.
- B. Enrollment in the Bank will be open from December 1 to December 31 of each year for participation in the Bank in the following calendar year. The Human Resources Office will have information and authorization forms available for employees at least thirty (30) days prior to the enrollment period.
- C. The Sick Leave Bank Committee will be responsible for the review of requests for Bank days to be withdrawn from the Bank. The Committee will be comprised of two (2) representatives appointed by the Town and two (2) representatives appointed by AFSCME, Local 1358. Members of the Committee shall be granted reasonable paid time off to meet, review and determine each request for Bank days. Providing that the balance in the Bank is sufficient, the Committee shall have the authority to grant up to thirty (30) days to an employee per calendar year (Jan. 1 to Dec. 31), and shall endeavor to make a determination on each application for Bank days within ten (10) working days of receipt of all documentation required by the Committee. The Committee may grant up to an additional thirty (30) days to an employee but in no event shall the total of such grant(s) to an employee exceed sixty (60) days in total per calendar year. A majority vote of the full Committee is required to grant Bank days.
- D. Applications for Bank days must be submitted in writing to the Human Resources Office along with a signed statement from the employee's doctor which fulfills the criteria in Part E (3) below. The Office of Human Resources shall take steps to remove any reference to the employee's name from the medical reports or documentation. The Committee, through the Office of Human Resources, may request additional medical information from the employee's medical provider and may consider information from the employee's department, which may be relevant to the Committee's deliberations. The Human Resources Office and the Committee shall at all time safeguard and treat as confidential the medical information concerning employees who have applied for Bank days. The Human Resources Office shall make periodic status reports on the fund balance as needed by the Committee.
- E. The following criteria shall be used by the Committee in awarding Bank days:
 1. The employee is eligible by virtue of meeting the criteria in Paragraph A above;
 2. The employee has exhausted or will soon exhaust all accumulated sick leave and other paid leave (such as vacation leave and personal leave); and
 3. The application is accompanied by adequate medical evidence of a serious illness or serious injury, which prevents the employee's immediate return to work.

The Committee may require additional medical information or documentation prior to making a decision on any application. Bank days which are granted but unused shall revert to the Bank upon an employee's return to work, retirement, resignation or other separation from employment or death whichever occurs first. No employee who is granted Bank days shall be allowed to redeem any unused portion pursuant to Article XI Sick Leave, Section 7).

- F. If the Committee has denied an application for Bank days, the employee, or by agent, may request in writing that the application be reconsidered at a meeting of the Committee at which the employee, or agent, is present.
- G. Decisions of the Committee shall be final, and shall not be the subject of grievance or arbitration.
- H. The parties recognize that the Committee has no authority with respect to discipline or employment decisions regarding employees and that the grant of the Bank days to an employee does not guarantee an employee's continued employment with the Town; discipline must be in accordance with Art. II.

Grand-fathered Employees

This Article shall only apply to those employees red-circled under the full-day kindergarten provision of the parties' 2000-2002 contract who do not take jobs as Group 1 employees. These employees will be referred to as the grand-fathered employees and will be assigned and paid for two hours of school traffic supervisor work on school days. They will not earn any benefits for parking control officer work. These grand-fathered employees will be in Group 2 but will receive the following grand-fathered benefits for the duration of this agreement (June 30, 2007) so long as they remain in Group 2:

(a) Sick Leave:

1. Definition. Sick leave with Pay means authorized absence from work granted to grand-fathered employees when they are unable to perform their duties because of sickness, personal injury, injuries to eligible employees in accordance with the provisions of Chapter 152 of the General Laws, quarantine by health authorities, or serious illness in immediate family or household.

2. Annual Entitlement. Grand-fathered employees shall be entitled to sick leave at the rate of eleven working (School Traffic Supervisor) days per calendar year credited on January 1 of each calendar year starting on January 1 of the year following employment and to accumulate such days without limit.

3. Deductions. A deduction of one day from sick leave credits shall be made for each fifteen days in the aggregate of absence from work without pay during a calendar year. This section shall not be applicable for the first six months without pay when an employee is receiving Workers' Compensation.

4. Notification. If a grand-fathered employee is unable to report to his/her post for duty because of illness, he/she must notify the Officer-in-Charge at the Police Station not later than 7 A.M. When prepared to report back for duty after sick leave, a grand-fathered employee must notify the Officer-in-Charge not later than one hour before the starting time of the assignment.

5. Injuries. Grand-fathered employees having sick leave credits who are injured on the job and are receiving Workers' Compensation shall upon request, be granted such sick leave allowance payment as will, when added to the amount of Workers' Compensation, result in the payment to them of their full salary in accordance with the Provisions of Chapter 152 of the General Laws. The total dollar value of such sick leave payments shall be computed to its equivalent in work days and charged against sick leave credits accordingly.

6. Documentation. For the protection of the Town, the Department Head or his/her designee may require the presentation of a doctor's certificate or note, which shall state the employee's name, date(s) seen, a brief description of the illness or injury and the expected duration, in connection with a claim for sick leave, when the employee has been absent due to sickness, illness, or injury for ten or more days in the previous calendar year and is absent at a rate of one day or more per month in the current calendar year. Any available sick leave shall not be granted until such written explanation, when required, has been received by the Department Head.

The Town retains the authority to request a doctor's certificate when the Department Head or his/her designee believes an employee may be abusing sick leave without regard to the number of absences.

If it is deemed advisable, the Town, at its expense, may send an employee to a doctor, selected by the Town, to investigate any absence alleged to be caused by illness or injury.

7. Return To Duty After Sick Leave. For the further protection of the Town and the grand-fathered employee concerned, the Department Head may require an employee to undergo a physical exam by a physician selected by the Town before being restored to duty after sick leave. Grand-fathered employees who undergo such an exam during their regularly scheduled work hours shall have the time spent thereon charged as time worked unless they are found unfit for duty, in which case the time shall be charged as sick leave.

8. Serious Illness In Immediate Family. In case of serious illness of husband, wife, child, parent of either spouse, or person living in the immediate household of a grand-fathered employee, the grand-fathered employee may be granted sick leave with pay not to exceed seven (School Traffic Supervisor) working days within a calendar year, at the discretion of the appointing authority. These days are charged against the annual sick leave allowance.

9. Termination of Service. Accumulated sick leave shall not be taken immediately prior to retirement unless properly chargeable to sick leave under the above rules and regulations. Upon termination of service for reasons other than discharge for cause, grand-fathered employees or their estates shall be entitled to a lump sum payment equal to one-third (1/3) of their unused accumulated sick leave up to a maximum of \$5,000.

10. Personal Leave. Based on his/her attendance record during the previous calendar year a grand-fathered employee is eligible for Personal Leave in accordance with the following schedule: An employee who uses 1-2 sick leave days is eligible for three personal leave days, an employee who uses 3-4 sick leave days is eligible for two personal leave days, an employee who uses 5-6 sick leave days is eligible for one personal leave day. Employees who use 7 or more sick leave days receive no personal leave under the provisions of this section. Sick leave used solely to supplement worker's compensation payments under the provisions of M.G.L., Chapter 152 - Workmen's Compensation Act shall be excluded in determining any Personal Leave due to an employee under this section. Except as below, the Personal Leave must be taken during the calendar year and if it is not taken it is not cumulative, but it may be added to sick leave. This leave may be taken for any reason but the Department Head must have at least one day's written notice of such leave and if the Department Head finds that operating efficiency would be impaired thereby, he can require that the employee take the leave at a more convenient time during the calendar year. Personal leave cannot be taken on school days. Only under extraordinary circumstances and only with the Chief's authorization may an employee take a personal day on a day when school is in session. To be eligible for this personal leave in a given calendar year a grand-fathered employee must have been employed and eligible for sick leave for the full calendar year preceding the year in which personal leave is being awarded. Grand-fathered employees, at their option, may cash in at straight time pay part or all of the Personal Leave earned under this section.

Except as below, the Personal Leave must be taken during the calendar year and if it is not taken it is not cumulative, but it may be added to sick leave. This Leave may be taken for any reason but the Department Head must have at least one day's notice of such Leave and if the Department Head finds that operating efficiency would be impaired thereby, he can require that the employee take the leave at a more convenient time during the calendar year. In any case where a Personal Leave day off cannot be scheduled, employees shall have the option of receiving a day's pay in lieu of having the day added to sick leave. As an exception to the above, employees may elect at their option to cash-in one day of Personal Leave per year at straight time wages without first seeking to schedule the time off. Effective January 1, 1985 the amount of Personal Leave an employee is entitled to cash in without first attempting to schedule a day off is increased to three days. New Years Day	Veterans' Day	Martin Luther King's Birthday	Thanksgiving Day
Memorial Day	Christmas Day	Columbus Day	

Grand-fathered employees will work on Bunker Hill Day (June 17) when school is in session, but will receive an extra day of school traffic supervisor pay only during the payroll week which includes the holiday in lieu of a day off.
